STEP 1

Grab a piece of paper and a pencil and tape the piece of paper down to the floor.

STEP 2

Stand up straight on the taped paper and push your heel against the wall.

STEP 3

Trace the outline of your foot on the paper and make sure that the pencil is aligned accurately to the foot.

STEP 4

Use a ruler to measure the heel-to-toe length.

STEP 5

Find your corresponding shoe size on the size chart.
